2.—No person to advance a less sum at each bidding than shall be mentioned by the Auctioneer at the time of sale, nor be allowed to retract a bidding.

3.—Each Purchaser is required to pay down immediately a deposit of five shillings in the pound, or such other sum as the Auctioneer may name, in part payment (each deposit to be applicable to any lot or all lots purchased), and to give in his name and place of abode when required; in default of which the lot or lots so purchased to be at the disposal of the Auctioneer.

4.—All lots are to be taken away with all defects, faults, imperfections, and errors of every description, at the Purchaser's expense and risk, by 4 o'clock on SATURDAY, OCTOBER 26th, 1907, and the remainder of the purchase money is to be paid before delivery; in cases where one buyer purchases more than one lot, the whole of the amount of the lots purchased to be paid before any one lot is delivered; also, to prevent inaccuracy in delivery and inconvenience in the settlement of purchases, *no lot may be removed during the time of sale*, and no person to be entitled to anything not described in his lots; no allowance whatsoever will be made for errors in description or quantity; the lots to be cleared as shown at the sale; *and no lots to be transferred from one buyer to another*. As the whole is on view, no warranty is given or to be implied by the description in the catalogue.

5.—All lots from the time of sale to be at the Purchasers' risk, and to be liable to any expenses that may arise from their not having been cleared in accordance with the fourth condition.

6.—The Purchasers to be answerable for all damage they may do to any lots, or to the premises, in taking down, or removing their respective lots, principals being responsible for the acts of their servants, and to pay for or properly repair the same before their lots are removed from the premises.

7.—Inasmuch as the Auctioneers act only as agents for the Vendors, they shall not be considered personally responsible for any default on the part of either Purchasers or Vendors.

8.—The Vendors reserve the right to the Auctioneers of placing two or more lots together, should that course be deemed advisable, also of making an allowance for the whole or any portion of a lot not delivered from any cause whatsoever—at the same rate at which such lot was purchased.

9.—Upon failure of complying with the above conditions, the money deposited to be forfeited; the lots uncleared within the time aforesaid to be re-sold, either by public sale or private contract, and the deficiency (if any) by such second sale, together with all charges attending the same, shall be made good by the defaulter or defaulters at this present sale, and be recoverable as and for liquidated damages, but any surplus that may arise therefrom shall belong solely to the Vendors. This condition is without prejudice to the right of the Vendors to enforce the contracts made at this sale.
